

July 9, 2021

Beginning Sunday June 11, 2021, Saskatchewan [enters Step 3 of Saskatchewan's Re-Open Road Map](#) where existing COVID-19 Public Health Orders and restrictions will be rescinded including the restrictions found in the Re-Open Sask document. That will be 485 days since the first restrictions were put in place on March 18,2020.

The Premier and Saskatchewan's Chief Medical Health Officer, have emphasized that while the restrictions will end July 11, 2021, COVID-19 has not. While we welcome this less restrictive 'world' we ask our clubs to continue operating cautiously and safely. Everyone will approach and feel differently about this progress; therefore, we ask that we continue to respect each other and what we each choose to do to feel comfortable moving forward.

Each clubs COVID-19 committees together with their boards/coaches will determine how the club will operate and run their programs to finish the current 2020-2021 swim season.

Below you will find an updated chart outlining the changes that come into effect Sunday July 11, 2021:

STEP 3: ROADMAP (effective July 11, 2021)	Indoor Pools and Outdoor Pools
Key: Swim Sask requirements continue through August 31, 2021.	
Competitions: Sanctioned	Priority is for year-round age group clubs this summer. Operate with limited and experienced officials. Max of 3 clubs and ~120 swimmers
Competitions: Unsanctioned	Clubs can conduct unsanctioned racing opportunities. Max of 3 clubs and ~120 swimmers
Contact Tracing	Not required
Training Group Size	Restricted by facility pool capacity
Instruction (with contact)	Permitted
Masks	Personal Choice
Physical Distancing	Not required
Pool Format	Determined in consultation with facility
Screening	Not required. Individuals self-assess and should not attend training or competitions if unwell
Spectators	Permitted
Travel between provinces	Permitted - be aware of other provinces and their restrictions.
Travel within SK	Permitted

The government has prepared a useful FAQ resource entitled: [Re-Opening Saskatchewan Step 3 FAQ for Businesses and Workers](#) to help as we move away from prescriptive requirements and return to pre-existing regulations. Please take the time to read this as it has some very useful information regarding vaccinations, masking, testing, contact tracing and legal considerations.

We are proud of how our sport and members have supported each other and adhered to the COVID-19 guidelines and ensured that our sport remained as safe as possible. Thank you for your part in allowing us to continue to build #betterlivesswimmingthroughcovid.

Have a safe and enjoyable summer, yours in Swimming,

Marj Walton, Executive Director

Better Lives Through Swimming
