DATE:

June 6th – June 10th, 2024

LOCATION:

Canada Games Aquatic Centre
Kamloops, BC

ASSESSMENT FEE:

\$600

SWIMMER ELIGIBILITY AND TEAM SIZE:

All athletes between the ages of 14-18 and registered with Swim Saskatchewan are eligible. Ages will be selected based on the athlete's age as of the first day of competition. The top 8 female and 8 male athletes will be selected based on the performance criteria listed below. Swim Sask reserves the right to not select a full complement of swimmers for this opportunity.

ATHLETE PERFORMANCE ELIGIBILITY:

Swim Sask will only consider results in Olympic events from all sanctioned long course and short course competitions during the 2023-24 season from September 1st to March 25th.

Results will be taken from the Swimming Canada RTR system. It is up to the individual clubs to ensure that results are uploaded to the Swimming Canada RTR.

SELECTION PROCESS:

1. All eligible athletes who competed during the 2023-24 season will be ranked based off their highest percentage off the FINA A times/Olympic Qualifying Standard (see Appendix A). Short course times will be ranked by adding 5% to the posted time. The top 8 female and top 8 male athletes will be selected to the team.
2. Tie breaker: If any athletes should have the same rank, but one athlete is using a converted time, then athlete with the long course time will be selected. If both swimmers tie with the same posted course time (both short course or both long course), then their next highest scoring long course swim will be used.
3. Alternates for team selection will be notified of their selection if a selected athlete declines their spot on the team, or if a selected athlete fails to confirm their attendance by the selection deadline.

SELECTION TIMELINE

The top 8 ranked female and top 8 male athletes will be notified of their selection March 27th, 2024. Athletes must confirm their attendance by April 15th, 2024.

TRAVEL AND ACCOMMODATION:

Travel and accommodation for the tour will be coordinated by Swim Sask.
