

Mel Zajac Tour Team Mel Zajac Jr International

DATE:

June 20th – June 24th

LOCATION:

UBC Aquatic Centre
Vancouver, BC

ASSESSMENT FEE:

\$500

SWIMMER ELIGIBILITY AND TEAM SIZE:

All athletes registered with Swim Saskatchewan that are 18 and older are eligible. The top 6 female and 6 male athletes will be selected based on the performance criteria listed below. This event is intended as a senior opportunity for our varsity athletes. No athletes currently enrolled in high school will be selected. Swim Sask reserves the right to not select a full complement of swimmers for this opportunity.

ATHLETE PERFORMANCE ELIGIBILITY:

Swim Sask will only consider results in Olympic events from all sanctioned long course and short course competitions during the 2023-24 season from September 1st to May 20th for any athlete that is registered with a Saskatchewan program by the selection deadline. Results from varsity competitions will be considered.

Results will be taken from the Swimming Canada RTR system. It is up to the individual clubs to ensure that results are uploaded to the Swimming Canada RTR.

SELECTION PROCESS:

1. All eligible athletes who competed during the 2023-24 season will be ranked based off their highest percentage off FINA A time / Olympic Qualifying Standard (see Appendix B). Short course times will be ranked by adding 5% to the posted time. The top 6 female and top 6 male athletes will be selected to the team.
2. All eligible athletes will be required to have qualified in a minimum of 2 swims at the competition to continue to be eligible (see Appendix A). Any times posted from the 2021-22 season and onwards will be eligible.
3. Tie breaker: If any athletes should have the same rank, but one athlete is using a converted time, then athlete with the long course time will be selected. If both swimmers tie with the same posted course time (both short course or both long course), then their next highest scoring long course swim will be used.
4. Alternates for team selection will be notified of their selection if a selected athlete declines their spot on the team, or if a selected athlete fails to confirm their attendance by the selection deadline.
5. Team selections are final. Once the team selection deadline has passed there will be no re-selection. Should the meet qualifying times change in the timeframe between the team selection and the competition, no further re-selections will take place.

SELECTION TIMELINE

The selection deadline is May 20th, 2024, following the completion of Canadian Olympic Trials. The top 6 ranked female and male athletes will be notified of their eligibility to attend on May 22nd, 2024. Athletes must confirm their attendance by May 29th, 2024.

TRAVEL AND ACCOMMODATION:

Travel and accommodation for the tour will be coordinated by Swim Sask. Any athlete that makes changes to the travel itinerary set out by Swim Sask will be responsible for all additional charges incurred. Any athlete not wanting to return with the team will still be responsible for the complete team assessment fee.
