If a new swimmer: Where did you hear about the Piranhas Swim Club?

I give permission for \_\_\_\_\_ to participate in practices, drills and swim meets with the Regina Piranhas Swim Club Inc and do hereby state that the above mentioned person is capable of meeting the physical and mental demands of speed swimming. I do not hold the Regina Piranhas Swim Club Inc., responsible for any injury that may be incurred by my child while participating in speed swimming.

The Regina Piranhas Summer Swim Club (RPSSC) has a policy of zero tolerance for bullying and harassment. We follow the policies of Swim Saskatchewan in regards to bullying and harassment. Athletes or parents not following these policies will be asked to leave the club. In such circumstances all fees paid will be forfeited.

I understand that by joining the Piranhas Summer Swim Club our family will provide two volunteers for all of the sessions of the RPSSC swim meet on June 22, 2013.

I understand that RPSSC is a competitive swim club and I will attend as many swim meets as possible.

All fees are non refundable with the exception that a swimmer is unable to continue due to injury or other medical condition and that written notification from a medical practitioner may be requested. The above mentioned notification will be submitted to the RPSSC Executive for pending approval of reimbursement. Reimbursements will be considered on a pro rated basis.

For safety and liability reasons we respectfully request that parents and family members do not accompany your swimmer on the pool side deck during practices without expressed invitation by a coach. As well, we require that all swimmers notify a coach whenever a swimmer leaves the pool prior to the end of practice for any reason.

RPSSC has a website where we will be posting pictures of our club members ([www.reginapiranhas.com](http://www.reginapiranhas.com)). If you would not like to have your child's picture posted to the website, please advise club president, Debbie Johnson.

I have read the **Fees, Fundraising Requirements, and Volunteer Expectations** (on page 3 which I can take home).
